SUMMER
2012

Summer 2012

Residents and Non Residents Are Welcome
Adults and Kids Pre K-12

Dear Neighbor:

Expect great things from Westport Continuing Education. We do!! I am excited about the broad range of opportunities available for both children and adults. We have added some new fascinating enrichment programs. Our programs for children are staffed by Connecticut certified teachers and we have a registered nurse at each site. Our summer program will span three school sites: Saugatuck Elementary School, Bedford Middle School, and Staples High School.

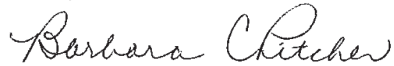

Among our varied opportunities for children, we are excited to expand our FUNWORKS Package Plan! Parents may register their child for a combination of courses to make their child's day diverse and dynamic. Small groups will be working with our teachers thus providing frequent opportunities for personal attention and customized learning. Breaks are integrated into the student's schedules to enjoy their snack and socialize with friends.

The adult summer class selections have been expanded as well including new computer software classes. We are open Monday through Friday as well as

Monday and Wednesday evenings. Our goal is to have all of you excited while challenging every participant to be creative. Make a decision to try something new; relax and have fun with it. There is something for **everyone!**

We spend our lives the way that we spend our days! While you are enjoying spring, take time to plan your summer. Now is the best time to try something **new**. I hope that you will use this catalog as a handy reference. Please let me know if I can do anything to enhance your time with us. We look forward to your participation. **Let yourself shine.** Until next time...

Cordially,

Barbara C. Pitcher, Director

Camp Invention (Entering Gr. 1-6)

We are excited to offer the nationally-acclaimed **Camp Invention** program again this summer.

NEW PROGRAMS

Camp Invention is a high-quality enrichment experience in science, technology, engineering, and math (STEM). Led by local educators, the **Camp Invention** program is an exciting experience that promotes creative problem solving

and teamwork – life skills essential to success in the 21st century. Sign up for one or both weeks! Bring a peanut-free lunch and snack. Visit <http://www.invent.org/camp/default.aspx> for more information about Camp Invention, including their refund policy. To register, call **Camp Invention** at 1-800-968-4332 or register online at www.campinvention.org

Envision Program

- Build your own inventions and learn about the innovative and adaptive parts of the invention process. You will be challenged to elaborate, refine, analyze, and evaluate your ideas to improve your inventions in the *Inventureureka* module.
- In *Magnetropolis*, you will be captivated during this magnetic island adventure as you explore science, technology, engineering, and math (STEM) and creative problem solving. Hand-crafted upcycled ships will help explore science skills such as buoyancy, orienteering, and magnetism.
- The *I Can Invent* module encourages teamwork as you formulate fantastical machines using science, creative problem solving and critical thinking skills. Younger inventors will build water balloon bursting inventions and design a marketing campaign while older inventors will create a multi-step, balloon-bursting Rube Goldberg-type machine.
- Physical activity and creativity are combined in the *Action and Adventures Games* module as you practice teamwork, cooperation, coordination, and creative problem solving during fun, energetic games. The games feature non-traditional sporting equipment and facilitate inventive and inquisitive-thinking skills while incorporating 21st century learning skills such as collaboration, communication, and whole-systems thinking.

Create Program

- You will be introduced to ecology and conservation in the *Saving Sludge City* module where you are challenged to rebuild a cleaner, more eco-friendly city that has been polluted to the point of ruin.
- In the *Problem Solving on Planet ZAK* module, your creative and critical-thinking skills are enhanced as you experience the wondrous world of science fiction. Have fun writing a script, designing a science fiction movie, crafting a spacecraft, and interpreting weather data to design adequate shelter and clothing while on this strange planet.
- The *I Can Invent* module encourages teamwork as you formulate fantastical machines using science, creative problem solving and critical thinking skills. **Westport Summer
Teen Theater Camp
(Entering Gr. 6-9)**

Westport Summer Teen Theater presents one of the longest-running Off-Broadway shows of all time -- "**Little Shop of Horrors.**" This affectionate spoof of 1950s sci-fi movies has become a household name thanks to a highly successful film version and a lively Motown rock 'n' roll score by the legendary songwriting team of Ashmen & Menkin. Charming, tuneful, and hilarious, "**Little Shop of Horrors**" is campy, tongue-in-cheek fun. We are planning 4 performances to allow us to doublecast all of the larger roles - maximizing performing opportunities for our campers. **Performances are July 19, 20, 21 @ 7:00 pm and July 21 @ 2pm.**

Comedy Improv Workshop

While preparing for the "Little Shop," all the campers will be honing their acting, singing, and improv skills under the guidance of our professional adult staff as well as an enthusiastic and talented group of counselors -- virtually all alumni of WSTTC. A special feature this summer is a **week-long intensive Improv Workshop** lead by professional Improvisation performer, Tony Republicano, culminating in a public performance of "Night of Comedy Improv".

Auditions: June 13 Wednesday 4:00-7:00 pm BMS Auditorium

Please note: Audition only if you will accept any role assigned – the program must be paid in full before auditioning. Everyone who auditions will be cast in the play.

There are a limited number of Technical Theater positions -- stage management, sound and lighting -- please call to see if there are any remaining Tech Camper openings. If you are interested in doing **set design for "Little Shop of Horrors"**, see below.

Willy Wonka, the Musical,
 presented by Staples Players
 (Entering Gr. 9 through college)

Join Staples Players as they produce ***Willy Wonka***, a new musical based on the popular book by Roald Dahl, and the classic Gene Wilder film. This musical includes favorites from the classic Gene Wilder film such as, "Pure Imagination" and "The Candy Man" with Music and Lyrics by Anthony Newley and Leslie Bricusse and adapted for the stage by Leslie Bricusse and Tim McDonald. This stage version has been expanded to include new songs featuring other central characters like the parents and children on the factory tour and features lots of broad over-the-top comedy. Participating in the Players summer program is a great way to get involved with a terrific high school theatre program and to work with the Staples Players directors, David Roth and Kerry Long. The schedule for this program is similar to a real production rehearsal schedule rather than "camp style" – that is, not everyone will be required each day, all day. Rehearsal schedules will be emailed at least 3 days in advance.

AUDITIONING: Completing the registration process before the program reaches its maximum enrollment is the only requirement to ensure admission, however auditions will be held to determine which registrants will be asked to come back (call backed) to try out for lead and featured roles. Once registered, participants will be asked to sign up for an audition slot and be given all pertinent information regarding auditioning. Auditions will likely be on the afternoon/early evening of June 5 and 6, with call backs in early to mid-June – exact date TBA. **It's important to note that there will be no refunds once an audition time is booked so students should be willing to accept any role assigned before booking a time.** Important audition info will be posted at staplesplayers.com.

Despite some overlap in timing, it will be possible to participate in both this program AND the Westport Summer Teen Theater Camp held at Bedford Middle School.

Rehearsals begin June 21st and performances will be the last weekend of July. Given the tight rehearsal schedule it will be difficult to allow participants to miss rehearsals for vacation during this time. Rehearsals are Monday - Friday from 1-4:30 pm. During the final week rehearsals will likely end later, perhaps running as late as 8:00 or 9:00 pm. Email questions to Rhonda Paul at splayersparents@aol.com.

All participants are invited to do tech work for ***Willy Wonka*** - times are to be determined. In addition, students with technical skills entering Gr. 9 through college are invited to participate in the tech program free of charge – contact Rhonda Paul at splayersparents@aol.com if you are interested in registering for the tech program.

Summer Rock **NEW** (Entering Gr. 6-12)

Come join the fun with “Mr. B” as he introduces songs from former and current rock groups!

Instrumentalists and vocalists will learn how to play music by the Rolling Stones, Aerosmith, the Beatles and Jay Z, as well as many other Classic Rock and contemporary rock groups! If you are already in a band, here’s a chance for all of the members of your group to sign up and learn new repertoire for your ‘playlist’. Or come and be paired up with other instrumentalists and vocalists to form a rock group within the class. You can participate in culminating concerts and also compose your own original rock songs. Students can bring their own instruments (and voices) – we will have access to drum sets, amplifiers, keyboards and microphones.

Filmmakers Ink offers a University film school experience in a summer camp setting. The Filmmakers Ink programs offer courses that train young filmmakers at three different levels and are designed to grow with their expanding knowledge of filmmaking. Guided by our staff of film professionals, our young filmmakers learn by doing as they develop the key creative and technical skills required for exceptional filmmaking. Filmmakers Ink programs are designed to give students solid life-long tools with which

to access and express their creative ideas.

*Under the leadership of award-winning filmmaker, Patrick McCullough, Filmmakers Ink has set itself apart from other film camps with their attention to storytelling through digital media, providing young filmmakers with the skill and confidence to be a part of the growing community of filmmakers in Connecticut. Check www.Filmmakers-Ink.com or www.CreativeArtInk.com for more details, or call Patrick McCullough at (413) 320-6071 or email: Patrick@Filmmakers-Ink.com **Enrollment is limited. Please register early!***

Intensive Filmmaking 1

(Entering Gr. 6-8, 9-11)

This **Filmmakers Ink** program is for those with a passion for film, ready to learn to make consistently good movies. Professional filmmakers will help each young filmmaker experience the moviemaking process from script writing through pre-production and filming. Everyone will develop their scripts, use professional film equipment, and work in each of the main crew positions, including Director, 1st AD (Assistant Director), DP (Director of Photography), Gaffer (lighting) and Sound, while making movies together.

These serious filmmakers will work with industry professionals, using an HD or 24p camera with professional equipment (Steadicam, Crane, etc.). More time for directing exercises will allow the opportunity to choreograph increasingly intricate camera shots and direct stronger acting performances. Filmmakers will produce scripts written during the session, editing on Final Cut Pro HD with a professional editor. Intensive 3 filmmakers will exit the program with expertise as visual storytellers with advanced technical skills. It is expected that the caliber of the films created in this session will earn entry into film festivals. NOTE: If new to **Filmmakers Ink**, the Screenwriting Program or permission from Patrick McCullough is required. Bring lunch and healthy snacks.

SPORTS & FUN CAMPS

(Entering Gr. 1-5)

Ready to have FUN this summer? Do you like to play sports and do other fun activities? This is the place for YOU! Make new friends! Be part of a team! Develop a strong sense of satisfaction and achievement in a non-competitive atmosphere. Learn physical skills and good sportsmanship.

This program will draw upon sports, fitness, and health concepts to create an environment to inspire healthy living. With the help of our certified teachers, campers will learn safe and proper techniques to make exercise fun, balanced with a wide variety of sport activities. Play sports and do activities such as basketball, soccer, wiffleball, kickball, capture the flag, pinball, battleship, octopus tag, proball, scooters and other gym class game favorites. Our counselors are certified public school gymnasium teachers.

Our camp will have access to the air-conditioned 13,000 square foot gymnasium at Bedford Middle School, as well as state-of-the-art turf fields, numerous grass fields and an Olympic sized pool with lifeguard supervision. **Campers entering Gr. 2 & up have the option to go swimming. Camp runs rain or shine.**

Bring a peanut-free snack and full day campers should bring a peanut-free lunch -- snacks and hot/cold lunch are also available for purchase at the Bedford cafeteria - full day campers enjoy free BBQ hotdogs on Fridays. Campers will receive a t-shirt. (Instructors involved over the summer include Michelle DeCarlo, Jon Herbst, Kara Kovlakas, Andrew McLoughlin, Christopher Scholz, Sarah Stefans)

TENNIS Beginning & Intermediate K-9

with Instructor Connie Goodman, Teaching Pro

Have fun, get exercise and learn a sport for a lifetime!

Kids entering **grades K-5** will enjoy **Quick-Start Tennis** which uses smaller courts, smaller racquets and lower compression balls which allows them to get to the ball and develop proper swing patterns. This leads to quick success and more FUN!

Beginner and Intermediate level kids entering **grades 6-9** will get to hit hundreds of balls as we cover the basic fundamentals of proper grips, strokes, rules, strategy and court etiquette.

Students in each session are grouped according to ability. Enrollment is limited to insure low student/teacher ratio. Classes meet at the **Staples High School Tennis Courts**. If you are unsure if camp will be held because of weather, check www.westporttennis.com
