## Summer 2021 Academics: High School Credit Courses

Each 1-credit class offers the same material as a full-year class, condensed into a 6-week program. Students also get the benefit of smaller class sizes and gain additional skills and experience for help with a college or career choice in the future. Summer courses allow students to satisfy credit requirements in order to free up their schedule during the school year for other courses.

The application for registration is accepted via mail, email, or in person at Room 1040 in Staples High School (please call Joanne Samela to make an appointment at 203-341-1209 or [jsamela@westportps.org](mailto:jsamela@westportps.org)).
